## Fiscal Analysis

### ASSUMPTIONS:

1. Any additional costs to issue the Class A-9 and B-12 antlerless elk B tag licenses or track a waiting period for eligibility for certain antlered bull elk permits will be absorbed within existing budgets.
2. The sales of the Class A-9 and B-12 licenses will generate some additional license revenue. Since these licenses will be issued for game management purposes, the Department of Fish, Wildlife and Parks is unable to determine a reasonable estimate of additional revenue.
